

SPONSORSHIP BROCHURE

2nd National Meeting on Sodium(-ion) Batteries (NMSB-2)

Co-organized by GESH, IIT Bombay & Battery Research Society (BRS)
Supported by Institute of Eminence (IoE), IIT Bombay

As a sponsor, your organization will play a pivotal role in contributing to the advancing sustainability. Your support will enable us to bring industries together to showcase cutting-edge sustainability initiatives and technologies and to promote thought leadership and collaboration in the area of sustainability. As a sponsor, you will play a pivotal role towards enabling the organization of NMSB-2. Your support will enable us to bring academia, national laboratories, industries and start-ups together to discuss Na-ion battery science, showcase technologies and promote collaboration/leadership pertaining to sustainable and India-centric energy storage solutions.
